

TestPharmacyManagement

```
classDiagram
    class TestPharmacyManagement {
    }
    class Debug {
    }
    class obj {
    }
    TestPharmacyManagement "1" -- "*" Debug
    TestPharmacyManagement "1" -- "*" obj
```

The diagram illustrates a class structure. A large light blue rectangle with a dashed border represents the `TestPharmacyManagement` class. Inside this rectangle, there is a smaller light blue rectangle with a solid border. This inner rectangle contains two elements: a blue rectangle labeled `Debug` on the left and the text `obj` on the right. The `Debug` rectangle and the `obj` text are positioned side-by-side within the inner container.
